

Each student / group of students needs a copy of this sheet to record their work as the activity progresses.

Worksheet to complete while doing the decision making activity

Make your decision and complete the box in the 2nd column. Do not complete the other boxes until you get the information about what your character actually did at the start of the next decision.

Views and decisions	What do you think were the views of your character and what decision do you think that your character made?	Did your character hold that view and make that decision? (Yes/No)	If no, what view did your character hold and what decision did your character make?	What beliefs, political considerations and events do you think informed your character's decision?
Decision 1 Sept 1950 - What position will you take on the US proposal to allow Germany to rearm and enter NATO?				
Decision 2 Oct 1950 – What position will you take on the French proposal to set up a European Defence Community?				
Decision 3 May 1952 – What decision do you think that your legislative assembly will make about the ratification of the Treaty?				
Decision 4 Dec 1953 - How will you decide to react to the French position and the US threat?				
Decision 5 Aut 1954 - What decision will your character make about Eden's proposals?
