

## Conflict and Cooperation: Alliances

### Task 1: Introducing the enquiry question

Try to answer about following questions:

- What do you see on this picture?
- What does this picture suggest to you?
- What could be the context to this picture? Or, what might be the story behind this picture?

**Task 2 – Researching a selection of alliances 1815-1945:**

Open the online timeline 'Managing conflict in Europe in times of change' and take a look at the events strand of the timeline. Start in the year 1945, the year that the United Nations was established. Use the timeline, your textbooks and further research to complete the final column of the table. Continue to complete the chart, working back in time. You may have to look inside entries to find the information you need (for example, the League of Nations is in the section called 'Paris Peace Conference').
